

**2018 SWWA Membership**

An SWWA membership includes the following:

- Voting privileges at annual AGM each conference
- All Pipeline editions of the year (available online or on IOS and Android app stores)
- Member rates for all SWWA events each year
- Access to a huge network of professional in the water/wastewater field at all events

Memberships expire on December 31 of each year. You must be a current SWWA member to receive member rates on all SWWA events. Memberships are in an individual name not in the name of the employer /community he/she works for.

***Please Note: As we move into a digital age the SWWA has gone digital with the Pipeline Magazine – you can read online at [www.swwa.ca](http://www.swwa.ca) or you can download the app from IOS and Android stores and read on your tablet or phone. As always the website always has the most up to date information about anything SWWA.***

***A email address must be supplied for all members to be put into the SWWA database. Renewals are sent out through email as are other important announcements to do with SWWA.***
