

Luke Lockhart

Vice President

Luke is the Superintendent for the Town of Outlook. He has been involved in Water and Wastewater for 20 years with the town. He enjoys the industry and is passionate about the opportunity to make a difference in the Water and Wastewater industry. He enjoys being a board member and getting to know all the members at conference and other SWWA events. This industry has been a significant in his career and he wants to continue to help make a difference by serving on the SWWA Board. He is certified at Level 2 in all areas. He is married to Destiny Lockhart who is a hairstylist, nail and lash tech. Luke enjoys being a part of the Outlook community and is also a volunteer firefighter. He is blessed with four children- and one grandchild. In their spare time they love to spend time with their family, friends and of course their many animals.
